ECHOES OF HISTORY

Individual Military vehicle & fire engine entry form
12th and 13th Aug 2023.

**Echoes of History Show, Whitehouse Farm, The Living Memorial, Rettendon, Essex, CM3 8DL.
12th & 13th August 2023**

This event is run by the **Essex Historic Military Vehicle Association** (registered charity 1155705) and is our main fundraising event. Please take a moment to read our show rules in order that you have a safe, fun and enjoyable show:

Summary of show rules.

General Behavior.

We want to run an enjoyable and safe show. Your co-operation is vital to the success of this. We ask that you always behave in a polite and reasonable manner. Please remember, **our staff are volunteers, and abusive or threatening behavior will not be tolerated** - we have a zero-tolerance policy in place for this as a charity. Our security will remove people from the site if this rule is broken or the police will be called. We allow consumption of alcoholic drinks on site, but please keep this to a level of moderation.

Event Safety

Please always follow all instructions given by any official or marshal at any event.

Please ensure that your vehicle is kept in a legal, safe, and roadworthy condition and you have the appropriate license and/or training to operate it. Any tracked vehicle should only be moved during an event with suitable marshals, and within the agreed tracked vehicle operating areas. Drivers should have insurance suitable for the vehicle being operated, including any public liability insurance. If you wish to have passengers ride in your vehicle, you are responsible for ensuring your vehicle is adequately adapted for doing so, and in cases where this activity may involve re-enactments or re-enactors, suitable insurance covering this will need to be obtained and agreed in advance with the show team. Persons entering them, shall only be permitted with the organizer's permission and after completion of a risk assessment as part of a re-enactment.

Our marshals will keep vehicle movements to a minimum, this is for safety reasons and to protect the site from damage due to excessive movements. You may be asked to park up outside the main site area in a holding area, during times outside of normal operating hours, which are after 21:00 and before 07:00. This rule applies to all vehicles either displaying, stalls or services.

Charity collections

Only charity stalls (with an official charity number) may sell charity merchandise or have charity buckets. This is to comply with local authority rules and those of the Charity Commission.

Noise and Nuisance

When at a show, please remember there may be other people camping nearby. Please show respect for them by keeping any behaviour within acceptable bounds. At night, please switch off any generators at 22:30 and keep the noise to a minimum. – there is to be no movement around the site outside of normal opening hours by any form of motorized / powered transport (for example, Quadbikes, Golf Carts, Motorbikes, Scooters, etc.) – vehicles may of course leave and return to the site using the public highway, but we would ask you to be respectful of others who may be camping with families and young children. Night security will be patrolling to ensure rules are complied with.

Wristbands

All exhibitors are required to have wristbands - these will be issued to you on your arrival day and must always be worn. Non-wristband holders will **not** be served at the bar in the evening and will be asked to leave the event during the times that the site is not open to the public.

Weapons, pyrotechnics, and uniforms

There must be absolutely no discharge of any firearm, barreled weapon, pyrotechnics, thunder flash, firework, or other explosive device at any event without prior permission of the organizers or trustees or safety officer. Selling of any pyrotechnic before or during the show is not permitted. Replica and/or deactivated guns may be carried during an event or show but must not be handled by members of the public unsupervised unless they are deemed competent to do so or during a purchasing transaction and should not be pointed at someone in a threatening manner. Knives or bayonets must not be unsheathed or fitted to a weapon other than as part of a static display of weapons and equipment and must never be left unattended or used in a threatening manner. Uniforms may be worn when appropriate but should be worn correctly and in context. Medal ribbons to which the wearer is not entitled should not be worn. No uniforms of a political nature will be permitted at our events unless pre-agreed in advance with organizers in special circumstances. If in doubt, please contact a member of the show team in advance of your attendance. The lighting and launching of Chinese lantern type devices are strictly prohibited on site for safety reasons.

Show Days

Please be aware the show is only open to the public on the 13th and 14th of August. You may arrive from Friday the 12th at 10:00 to set-up and MUST vacate the space by 12:00 hours on Monday the 15th of August. (Unless by special arrangement in advance with the show team).

Quad Bikes

These can only be used on site with permission of the organisers, after appropriate training has been completed and once the Marshals are satisfied that the person operating the quad bike is competent and has appropriate insurance to cover the activity.

Please return the completed main form by post with a S.S.A.E, ONLY if you want a postal reply, (otherwise your booking will be confirmed via email) to: EOH Show Vehicles, 60 Molrams Lane, Chelmsford, Essex CM2 7AJ.
